---	---	---

**Additional Tips:**

- Ask the director of the recreation program to find out if they can help with costs – they may have in-house subsidies or discounts, such as a discount when more than one child in a family attends a program, or a second week of support for free when registering for more than one week.
- Contact local service clubs such as the Rotary, Kiwanis, or Lions Clubs. Local clubs may be able to fund recreation programs and equipment
