Movies

www.Access2.ca

The Motion Picture Theatre Association of Canada and the National Advisory Council of Disability Organizations have developed a program that will provide discounted admission to the support person accompanying a person with a disability to member movie theatres across Canada.

Application for the Access 2 Entertainment Card must be verified by a Regional Health Care Professional, as defined in the application form, or by presenting a copy of an authorized client identification card from a recognized disability service provider (i.e. The CNIB client identification card), and the applicant must be a client/patient of the authorizing care practitioner/service provider

**Geneva Centre For Autism Movie Night
